SGT Justin Norton
www.justinnorton.net

Justin graduated from Rainier High School in 2003, joined the Army and began serving his country. Tragically, Justin was killed while on patrol near Baghdad in June of 2006. One of his wishes was to have a scholarship fund set up in his name if anything was to happen to him. With the help of his family, the Yelm Area Chamber of Commerce established the Sgt. Justin Norton Memorial Scholarship Fund.

To date more than 90 scholarships have been given to high school seniors in his name.

We would like to ask you to help us continue Justin's legacy and honor his wish to help local high school students continue their education by becoming a sponsor of this year's event.

*Thank you for helping us honor our
hometown hero*
